Jaladihi is a small village of the Talakainsari GP of Banspal Block,Keonjhar District.it is 15 kilometer distance from the District head quarter. 85 households are living in this village. The total population of this village is 252.Out of the total population 178 are SC, 35 are ST & 39 are OBC. Among them 120 are Male & 132 are Female.

Babula Munda was living with his wife Sushila Munda with 4 children (3 daughters and one son). He was a daily wage labour .Before one year he died due to Malaria.Susila demoralized & maintained her family. But she could not fulfill the need of these children. On dated 02.12.2017 at 11 AM Sushila also died due to the electric shock, from the paddy harvesting machine when she was harvesting the Paddy. Suddenly the relatives admitted her at District hospital,Keonjhar.But the doctor declared her dead. With the help of IDA her funeral fire completed.

The VCPC members of Jaladihi village arranged a meeting & called the IDA staffs.The vulnerable family of late Sushila Munda was discussed. It was decided that the children

will not sent to orphanage & they will kept with their elder mother for a short period.IDA will take future action for the children.

Now the Children are kept with their elder mother for a short period. Finally the four children are getting a family with the effort of VCPC.But for education and health they will be shifted to a group foster home with due course of time.

Madarangajodi is a village having 13 kilometer distance from the District & also Block head quarter. 132 households are living in this village. Total Population of the Village is 715 among them Male 241, Female 361 & Children Population is 113. People called Madrangajodi as the village of the widows. This village Madrangajodi is adjacent to the limestone mine. The villagers are wage labours and some of them are small and marginal farmers. Thirty years back the mine has started its operation in the village. 45 women at the age of 25-40 became widow and now living as single mom. 58 single parent children within 0-18 years are living in a vulnerable condition. Due to the digging of the mine big holes are created and water is logging in the hole and now people are affected with Dengue and malaria. The periphery jungle has broken by the Madarangajodi Pyrophyllite mines. The women and children are not getting the entitlements.

Sunaram Munda is living in the village Madarangajodi of Mahadeijoda GP.He has two daughter & one son. His family Condition is not so good. He sold fire wood in Mahadeijoda , Keonjhar town to manage his family. The only earning member of the family is the Sunaram Munda, who is working as a daily wage labour. Therefore, the family has been facing financial problems like they do not get two times of meal in a day. He has not able to fulfill the bare necessities of family except one time meal and was unable to provide other things like dress, sleeper and education material etc.Befoe three month Kainfula Munda died due to Malaria. After the death of his wife Sunaram did not take care of these three children, taking alcohole regularly.

After death of Kainfula Munda,the elder daughter Basumati Munda left the school & looking after her sister & brother.Now she is cooking,washing & doing everything for her family .

One day the Sarapanch Mahadeijoda GP& VCPC members discussed the heart broken store of Basumati Munda with IDA staff.IDA organized an awareness camp at Tikarpada village with joint collaboration of CWC,Keonjhar on dated 01.12.2017. Sunaram Munda produced his children before CWC,Keonjhar.But no permanent solution has taken for these Children.
