On dated 14th May 2017 the World Mothers Day was observed at Village Tikarpada of Mahadeijoda GP,Keonjhar,Odisha by Sudaya Sishu Sangathan . More than 150 Children & 62 mothers, 10 VCPC members,IDA staffs & District Correspondent of The Kalinga TV along with other media visited the village.

The Programme was inaugurated by Sebati Singh,Secretary IDA. Rasmita Haibru, President of the Sudaya Sishu Sangathan gave welcome address & introduced the Guests. The Project Coordinator of ACC Project discussed the Aim & Objective of the day. The Secretary of the Sudaya Sishu Sangathan discussed the plan & objective of this day. All the invited Guests delivered their speech & appreciate the work of the Child Club.

After a small meeting the Children worship the mothers by giving incense stick, flower & sindur. The mothers blessing the Children.

Sulochanna Behera awarded as the best mother of this village. She is now 48 Years old. She has two Children (Tapoi & Rajendra)Who is now looking after the Vulnerable Children of this village by giving free Tuition service to the children of her hamlet. Before 10 Years ago Sulochana Behera lost her Husband & became demoralized. She fights against poverty & working as daily labour to fulfill the basic need of her family. In this time Ideal Development Agency identified & gave Sponsorship support to her Daughter Tapoi Behera. The Sponsorship Support gave her for last 3 years. Day to day Sulochana Behera participate actively in different meeting, training. She is now the Secretary of the Care Giver Association. She has taken promise to give free Tuition service to the slow learner & Vulnerable children. In every week she is visiting the Vulnerable Family & Counseling the Children. She has become the mother of all the Children of this

Village. The people of this Village now saying her **Bhirna aka Jasoda** means mother of every Child.

Kalinga TV the electronic media covered the World Mothers Day & helping hand of Sulochana Behera on dated on dated 14th May 2017. The Coverage of the News attached.
