Description of the before Situation:

Tikarpada is a very big Village in Mahadeijoda GP of sadar Block, Keonjhar District, Odisha. Which is situated just 10 KM away from Block & District head quarter. A large number of majhi communities living in this village. One of them late Thumpu Majhi & Maina Majhi was a middle class family. He has three sons Sunaram majhi, saban Majhi & Ghana Majhi)& one daughter(Lilimani Majhi). Elder son is Sunaram majhi, middle son saban Majhi & younger son Ghana Majhi. Saban Majhi married to Chhita Majhi at 20 years age. She gave birth two sons (Sarat Majhi & santosh Majhi). Chhita Majhi died due to high blood pressure. In this time sarat was 7 year & santosh was 5 year old. Saban Majhi take care of two children like mother. Due to Poverty he could not study the Children & could not full fill the basic need (food, Cloth, shelter) of the two Children. The family condition forced to him to work. He left the two Children in their uncle (Debendra Marandi) of Danardanpur village. He engaged as cook helper in Jindal Steel canteen for his livelihood. After some day the plant was closed & he lost his service. Then he came to his village again and cultivated the sugar cane. He infected his left eye due to Panophthalmitis infection. Due to old age, he did not to work hard and his sons not taking care. They left him & went to Rourkela & Chennai for their livelihood & engaged their as daily labour. Saban went to his sister's house & stayed some days.

Present Situation: On dated 09.04.2016 he with Parameswar Majhi went to Anandashram & discussed with Warden to stay. The Warden saw the eye condition of saban Majhi & allowed to stay in Anandashram. He sent Saban Majhi to the District hospital, Keonjhar for treatment of his Eye. But due to the serious condition of his left eye the Specialist referred him to SCB Medical College & Hospital, Cuttack for Panophthalmitis treatment. The warden requested to the CDMO, keonjhar to give some money from District Red cross Society. saban Majhi went to SCB Medical College & Hospital, Cuttack for treatment. Admitted in Hospital for two days. But due to non release of fund from District Red Cross Society, Keonjhar, the CSB medical discharged him 20.04.2016. After discussion with General Manager, CSR TEMPL, Uchhubali, Keonjhar saban Majhi referred to L V Prasad Eye Institute & KIMS, Bhubaneswar & treatment from dated 05.05.2016 to 15.05.2016. Now the Condition of saban Majhi is better & improving day to day. Now he feels better & giving thanks to TEMPL & Anandashram for his treatment of eye & Permanent Shelter Place which gave him a new Life.

APPOINTMENT ADVICE

Dear Saban Majhi

Thank you for your request for an outpatient clinic appointment. The details of your appointment are as follows:

Patient Name	Saban Majhi
MRNo	BBI-P108250
Date	04-07-2016
Time	08:10 AM
Clinic	Oculoplasty
Doctor	Dr Deviyoti Tripathy
Visit Type	Old Follow Up 1 - 3 Months

FOLLOW UP

Reporting time 8:00 AM

Please report to the frontdesk at the main reception at least 15 minutes before your scheduled appointment. Please bring this letter and your medical reports and details of investigations (such as CT scan films etc.) as well. Each adult patient can bring in only one attendant. Mobile phones must not be used anywhere in the hospital.

If you wish to upgrade to *Supporter* or *SightSaver* category, which would entail personalized check-in and assistance, exclusive waiting lounges, minimal waiting time, and an end-of-the-visit report summarizing your medical condition, please contact the Help Desk on arrival.

Every effort will be made for you to be seen close to your time of appointment. We aim to keep the waiting time to within 30 minutes. Unfortunately, medical emergencies and the needs of other patients may cause additional delay.

You will undergo a detailed assessment of your eye health. A complete eye examination may take approximately 2 to 3 hours, depending on the complexity of your problem and the need for special consultations with other specialists.

The doctor may decide to perform additional tests and investigations as necessary after your initial evaluation. If so, we will try to arrange these on the same day. The time and charges for additional tests and investigations will be conveyed to you before these are performed.

In case you are unable to keep the appointment, please let us know immediately. We can normally reschedule the appointment but this will entirely depend on the availability and the schedule of the doctor concerned.

We appreciate your contacting us and we look forward to being of service to you.

Sincerely,

Lakmi Priya Nayak

21) Previous History: - Bilei Naik, aged about 43years was staying at village Ukhunda, Presently at Anandashram, Bonajodi, Keonjhar. She had married to late Banka Naik of village Tihadiposi, Sadar Block, Keonjhar. Her husband got died in the year 1995. She had a Girl child and she died after 15days of birth. After the death of her husband she has been droven from her family, her body is half burn, She is a mild mad person. Her health is in good condition but she needs the treatment to solve the mental disorder. As per the instruction of DSWO, Keonjhar one of our staff visited the place, DOLO mandap of Ukhunda and carry her to Old-age-home on 6.01.2013. After 7 month she gave birth of twine male baby. The Inmates of Anandashram named the Babies as Obama & Clinton. Now the Children are 3.6 years old. All the Inmates are taking care of the children. The Inmates are giving love & affection like their grandson. Now the Children are reading in Nursery class of Sai Ananda International School.

22) Future Plan/Aim:-To keep her & two child in good condition by providing love, affection and treatment. She will study the Children.

23) Others: All the Inmates & staffs are giving to love & affection. We are trying to our best to cure her from madness.
