THEORY OF CHANGE

IMPACT

- Care for elders available at multiple points
- Migration of youth reduced
- Geriatric Care recognized on broader canvas through advocacy

RESULT/Realization of Goal

Senior Citizens are ensured to live rest of their lives with dignity and care

OUTCOME

- Elderly people's access to skilled care ensured
- Employment generated for youth
- Wider community sensitized on GC

CURRENT CONDITIONS

- Low awareness in society on Geriatric Care
- Disintegrated social fabric
- Lack of skilled manpower
- Neglected elders

STRATEGIES

- Grand Parenting
- Building cadre of trained caregivers
- Technology application
- Employment opportunity for youth
- Network & Advocacy

ACTIONS

- Existing OAH scaled up
- Training of youth by CoE
- Tracking through mobile app.
- Placement of youth as caregivers
- Formation of network with wider community
- Income Generation for elders
- GURUJAN SAHAYAK SAMITI established at GP

OUTPUT

- CoE established
- 500 youth trained on Geriatric Care
- Existing OAH scaled up
- Elder people get care & protection at multiple points
- Network formed in 3 states
